INFORMATION ABOUT THIS SERVICE

Description

1800 numbers are virtual business numbers that can be called for as low as the cost of a local call. These numbers receive incoming calls and redirect them to an existing phone line ("answerpoint") such as a mobile or landline.

Smartnumbers are distinctive phone numbers that are considered 'the best' 13, 1300, and 1800 numbers available. These inbound numbers come in the form of phone words which spell out your business name or service e.g. 1800 PHONES (1800 746 637), and numbers that come in repeating or sequenced numerical patterns e.g. 1800 50 10 50
