INFORMATION ABOUT THIS SERVICE

Description

Alltel Voice To Email is a virtual voicemail service that allows you to access voice messages through your email. Voice messages are emailed to you in WAV format (sound file).

A Voice To Email service can be added to any 13, 1300, and 1800 number. Simply use the provided dedicated local number as a redirection point for your service.

Minimum term

There is a one-month minimum term for this service and we require 30 days advance written notice of cancellation.

Cancellations

We require 30 days advance written notice to cancel this service.

Inclusions

Dedicated local number

We allocate a unique local phone number for each service which can be used as an answerpoint for a 13, 1300 or 1800 phone number. This is an internal system number which is subject to change and remains the property of Alltel.

Exclusions

Pre-recorded greeting

A custom pre-recorded greeting is played at the start of every call to thank callers and ask them to leave a message. You can provide your own recording or Alltel's professional voiceover talents record can one for you (costs start at \$95).

Qualifications

To receive email notifications you will need an active email address.
